Discover magnificent Norwegian landscapes, charming ports and crystalline waters as we travel north on

2020-Norway

this exceptional tango cruise. Be charmed by Norway's atmospheric towns and let the fjords take your breath away.

Enjoy several evenings dancing Tango on board, enveloped in this enchanting environment. During the day we will meet and dance with local tango groups in the beautiful and charming cities of **Stavanger and Kristiansand**. Tango workshops with Adriana Duré and Felipe Martinez will further complement this cruise. Their main focus will be the „Tango de Salón: Elegance and musicality.”

Our fascinating cruise begins in **Copenhagen**.

Our cruise takes us into the legendary panoramic world of the Norwegian fjords. The rugged coastal landscape consists of magnificent forests, spectacular mountains and imposing, sloping glaciers. Our luxurious cruise ship will bring us to **Bergen, Stavanger and Kristiansand**: cities bursting with culture, friendly people and picturesque views. Why dance Tango under the southern sunny skies? This year, dance Tango in ports full of history, tradition and the charm of hanseatic towns.

Another highlight on the cruise will be the famous **Geiranger Fjord**, which are listed as a Unesco World Heritage Site. There you will discover majestic, snow-covered mountain tops, wild and beautiful waterfalls, lush green vegetation and the deep blue fjord. It's like stepping into a fairy tale.

We've several years done that cruise at the end of August, in 2015, 2016 and 2018. We thoroughly enjoyed ourselves, wonderful sunny days, beautiful sunsets and pleasant late summer temperatures.

Relaxation is "at a premium" on this trip; small picturesque harbours, impressive landscapes and tranquil surroundings make it truly possible to just unwind.

Enjoy and embrace a captivating and unforgettable experience “in the high North”.

Tip: This trip can also be booked as a two-week Tango cruise: [Baltic & Norwegian fjords](#).

Tango

The Milongas on the ship will be held mainly before dinner depending on availability of dance floors. So we have the opportunity to enjoy the sunsets & Tango and we will be fit for the next morning to explore the beautiful ports and exciting cities.

Tango Workshops with Adriana Duré and Felipe Martinez

Those who have already experienced the two on our Tango Cruises in South America know how much commitment and joy they teach. Tango should be fun, that's guaranteed with Adriana and Felipe!

In a relaxed atmosphere they will introduce us to the subtleties of the "Milonguero style". Their goal is to teach the dancers a natural and flowing dance style - even with a full dance floor. On a good attitude and hug is paid particular attention.

Not only beginners, but also dancers of many years appreciate the well-founded basic work of Adriana and Felipe, who do not "rehearse" solid figures, but work together to develop the manifold possibilities of the movement sequences. The workshops will be tuned to take into account all dance levels.

Adriana and Felipe teach well understandable in English.

Tango Lessons can be booked separately with the 'Tango package': it includes 5 x 90 minutes and costs 100,- € per person. Please indicate during registration for the cruise if you want to take advantage of the Tango Package Workshop.

Participation in all Tango events is only possible, when booking through Bailando Reisen.
