Reisebeschreibung

We look forward to our tango holidays in the beautiful Jagst Valley - centrally located in Germany -

2021-M-A-Jagst-E1

together with Martin La Bruna & Andrea Bestvater. During the intensive courses from Martin & Andrea, we discover many refreshing "kicks" that enrich our dance. Let's experience professional tango lessons in the ambience of the Jagst mill: During the day in the light-flooded hall on 100 square meters of the best parquet floor, and in the evening by candlelight. Here, in the connoisseur region of Hohenlohe in Baden-Württemberg, you can find many small odes in castles, churches and picturesque public places. You can find peace and relaxation in the valleys and forests of the Jagst Valley. The Jagst mill was converted into a cozy country inn many years ago, and in recent years another modern garden house with luxurious guest rooms has been added. Our hotel is secluded and very quiet on the Jagst, a quiet little river. Here in the Jagst Valley there are countless hiking trails or you can explore the region by bike on the Kocher-Jagst cycle path. Not far from the Jagst mill we find many sights along the Romantic Road and the German Castle Road. Picturesque towns such as Schwäbisch Hall, as well as magnificent castles such as Weikersheim Castle can be visited.

A country hotel with flair awaits us in the cozy rooms, on the garden terrace and in the inner courtyard of the half-timbered ensemble, which consists of several houses. Away from the hustle and bustle, you can indulge your culinary delights with good slow-food cuisine. We start the day with a delicious breakfast from the buffet and the best ingredients from the region: in good weather on the garden terrace or in the bright breakfast room of the guest house. At dinner, culinary enjoyment is guaranteed before our milonga starts. The Jagst mill kitchen team is a member of "Slow-Food" and so the chefs concentrate on their good craft, as well as old recipes and traditions. It goes without saying that the products come carefully selected from the region. Our dance hall is located in the main building and is bright and flooded with light. It is 100 square meters and has a beautiful parquet floor and floor-to-ceiling windows with a view of the green garden.

There are two room categories to choose from: The standard rooms "Mühle" are comfortably furnished in a country house style and are located in the main building. The superior rooms „Garden" are more spacious and bright and modern furnished in a Mediterranean style. You are either in the newly built guest house or in the Jagst hut, approx. 70 mtr. from the main house with a view of the garden in a quiet location.

Tango

Tango mit Martin und Andrea:

Martin La Bruna und Andrea Bestvater lives in Buenos Aires and have been spending a few months a year in Europe for several years. With a lot of sympathy and joy in teaching, the two succeed in giving each course participant the right feeling for the tango. Their lessons are characterized by humor and the noticeable joy in conveying her very aesthetic tango style. Their attention to each and every couple always makes participants feel like they are the center of their interest. They both know how to teach in such a way that you can have fun and come back with a sense of achievement. Your teaching language is easy to understand in English.

Martin and Andrea have already been on Tango trips with us several times and have excited every time anew, because their teaching is particularly natural and warm.

Even for tango beginners with basic knowledge, they offer well-founded basic work with a very good didactic structure. A total of 10 hours of lessons with Martin and Andrea are planned. In the evening we dance tango in the beautiful rooms of our hotel.

Martin and Andrea teach clearly in English.
