### Oct 17th - 22nd, 2021: Tango - Holiday in Franconia in Autumn

- Tango - holiday in Franconia on the river Main in Autumn
- Tango workshops with Martin La Bruna & Andrea Bestvater

### Reisebeschreibung

Welcome to our tango holidays on the Main with Martin La Bruna & Andrea Bestvater. Tango dancing and experiencing the golden autumn in the Main-Spessart region: in October the Spessart with its deciduous forests is transformed into a brightly colored forest of leaves.

With Martin & Andrea, tango joy is inevitable. In their courses we not only learn important "basics", but also many refreshing "kicks" that will certainly enrich our dance. In the evening we enjoy particularly

atmospheric milongas in our dance hall, which is located right next to the hotel. The 240 square meter dance hall with parquet floor offers plenty of space for tango "fed up" and for unforgettable tango days with Martin & Andrea.

Our traditional, family-run hotel is located just a few minutes from the tranquil Main Promenade in the center of the old town of Marktheidenfeld. This small town is located between Aschaffenburg and Würzburg and is easily accessible from many places in Germany. The contemplative Mainkai, the baroque Franck-Haus and the small alleys of the old town invite you to stroll through this quiet, contemplative small town.

Those who are adventurous can visit many places worth seeing in the Main-Spessart region: Wertheim with its half-timbered houses is not called the "treasure island between Main and Tauber" for nothing. The "Snow White Town" of Lohr with the Spessart Museum or the former Cistercian Abbey of Bronnbach Monastery is enchanting. For nature lovers there are bike paths along the Main and numerous walking paths through the forests of the Spessart, which turn beautifully golden yellow in October. A splendid color of beech and maple trees awaits us in the mystical Hafenlohr valley.

Franconian hospitality is lived here on the Main and so we are very happy that we discovered the Hotel Anker for our tango trip.

The traditional, family-run hotel offers cozy rooms with a combination of traditional Franconian construction and modern elements. The guest rooms and rooms are located in various buildings around the inner courtyard. A small bar and the light-flooded garden room offer access to the quiet inner courtyard, where you can enjoy the warm rays of the sun with a glass of wine from your own winery, even in autumn. A fine breakfast buffet is offered in the bright garden room. In the evening there is a menu of Franconian and international cuisine in the cozy parlors.

Next to the hotel is the Casa Vitalis, a small beauty center with the possibility of massages and beauty treatments. E-bikes and bicycles can be rented for a fee so that you can go on bike excursions along the Main. The house is quietly located in the pedestrian zone of Marktheidenfeld.

The standard rooms are approx. 22 square meters and are furnished in a rustic style. The courtyard garden rooms are more spacious with 26 square meters and look into the inner courtyard. All rooms have WiFi access and a minibar as well as modern bathrooms. There are also some very spacious, high-quality junior suites. These are approx. 45 square meters in size, modern in design and have an extended seating and living area.

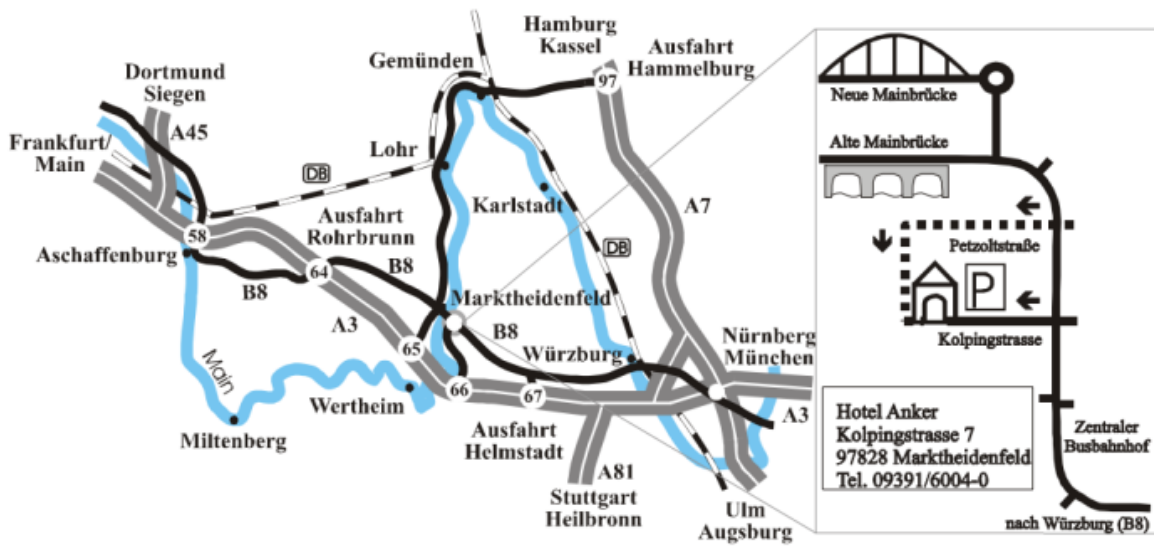

We dance in the hall in the neighboring building, which has a beautiful parquet floor on 240 square meters. So we have a lot of space and space for the courses and our evening events.

### **Arrival and departure:**

### Tango

#### **Tango mit Martin und Andrea:**

Martin La Bruna und Andrea Bestvater lives in Buenos Aires and have been spending a few months a year in Europe for several years. With a lot of sympathy and joy in teaching, the two succeed in giving each course participant the right feeling for the tango. Their lessons are characterized by humor and the noticeable joy in conveying her very aesthetic tango style. Their attention to each and every couple always makes participants feel like they are the center of their interest. They both know how to teach in such a way that you can have fun and come back with a sense of achievement. Your teaching language is easy to understand in English.

Martin and Andrea have already been on Tango trips with us several times and have excited every time anew, because their teaching is particularly natural and warm.

Even for tango beginners with basic knowledge, they offer well-founded basic work with a very good didactic structure. A total of 10 hours of lessons with Martin and Andrea are planned. In the evening we dance tango in the beautiful rooms of our hotel.

Martin and Andrea teach clearly in English.
