Stephanie Fesneau: not only fantastic tango classes to enjoy but also the chance for walks and excursions in the magnificent landscape that nature has kindly provided. The Bregenzer Wald landscapes are balsam for the eye – and the soul. A shapely combination of gently undulating hills, expansive plateaux, romantic river valleys, and impressive peaks – ideal for active people and lovers of nature. Included in the price is the "Bregenzer Wald Card", which entitles you to free use of cable cars, swimming pools and public transport in the Bregenzerwald.

We are very pleased, that again Fausto Carpino & Stephanie Fesneau from Italy will teach at Bregenzer Wald at this additional date. You will be delighted by their refreshing pleasant nature and didactically well-structured teaching. The courses take place either in the morning or late afternoon so that there is sufficient time to explore the beautiful area. The lessons are taught in English.

After dinner, we continue with an intimate Milonga.

Hotel description:

Accommodation is in the Bio Hotel Schwanen in Bizau. The Hotel Schwanen is officially certified as an organic hotel. What is outstanding is the exquisite food (14 Gault Millau Points) and the relaxed atmosphere of the family run hotel.

We offer the "Pampering Package", which includes: a healthy revitalizing breakfast and in the evening a 4-course menu (with a choice of a vegetarian menu). The restaurant is bright and tastefully decorated and has a lovely garden terrace where you can enjoy delicious afternoon apricot dumplings ("Marillenknödel") and Austrian strudel specialties.

The hotel also has a choice of varied rooms available.

The rooms in the Schwanen are classically decorated with silver fir and furnished with simple but comfortable modern furniture by Bregenz craftsmen. The rooms differ in size and location: Schwanen I is about 30 square meters, Schwanen II about 22-24 square meters. Both room types look towards Kanisfluh or towards Hirschberg. The rooms Schwanen III go to the street, which is not busy at night, as Bizau is located in a side valley. The room allocation takes place after booking, first come first serve.

Alternatively, the accommodation can be requested in well-equipped apartments. These are located about 5 minutes walk from the "Schwanen" away. The meals are taken together with the group in the hotel "Schwanen". The travel price corresponds to the room type Schwanen II.

Arrival and departure:

Guests should aim to arrive on Saturday until 18:00 (6 pm) in the evening. The tango classes begin on Sunday and end on Thursday.

Extra nights can be booked through Bailando Reisen.

Getting to Bizau:

Travel to Bizau is organized independently. Bizau is about 45 minutes by car or public bus service from Bregenz/Lake Constance.

Tango

Fausto Carpino & Stephanie Fesneau:

Fausto Carpino and Stephanie Fesneau are a young and dynamic dance couple. They live in Sicily and so far they have taught in many countries and many Tango Festivals in the world. For the last three years, Fausto & Stephanie teaches on our travels and we are very pleased.

Fausto and Stephanie dedicate themselves to transmitting their passion to others. They teach with personal engagement, esprit, and charm. They believe that connection, musicality, and technique are the keys to fully appreciate the beauty of tango. In their classes, they concentrate on how to propose oneself to the partner in a comfortable way within the embrace, based on logic and natural movements.

There will be ten hours of workshops and practicas from Monday through Friday. There will be two groups. Lessons will be for advanced dancers, minimum two years of dance experience.

The lessons and milongas take place in the neighboring community hall with an excellent parquet floor and a beautiful view over the „Bizauer Moos“ (Bizauer Moss) and to the mountains.

Fausto and Stephanie teach in English.
