### Reisebeschreibung

## 2022-Bizau-Adrian

---

A summer tango holiday in the mountains of the "Bregenzer Wald" in Austria with Amanda and Adrian Costa is waiting for you. Not only fantastic tango classes to enjoy but also the chance for walks and excursions in the magnificent landscape that nature has kindly provided. The Bregenzer Wald landscapes are balsam for the eye – and the soul. A shapely combination of gently undulating hills, expansive plateaux, romantic river valleys, and impressive peaks – ideal for active people and lovers of nature. Included in the price is the "Bregenzer Wald Card", which entitles you to free use of cable cars, swimming pools and public transport in the Bregenzerwald.

We are very pleased, that Amanda and Adrian Costa will teach at Bregenzer Wald. The main focus will be the work with the "Quality in the dance": Musicality, the walk, and the embrace. Pure Tango de Salón and Elegance! You will be delighted by their didactically well-structured teaching. Courses will be for dancers with advanced dance experience. We recommend a minimum of three years of active dancing. The courses take place either in the morning or late afternoon so that there is sufficient time to explore the beautiful area. The lessons are taught in English.

After dinner, we continue with an intimate Milonga.

Accommodation is in the Bio Hotel Schwanen in Bizau. The Hotel Schwanen is officially certified as an organic hotel. What is outstanding is the exquisite quality in the Restaurant (14 Gault Millau Points) and the relaxed atmosphere of the family run hotel.

There is waiting for you a healthy revitalizing breakfast in the morning and in the evening a delicious 4-course menu (with a choice of a vegetarian menu).

The restaurant is bright and tastefully decorated and has a lovely garden terrace where you can enjoy delicious afternoon apricot dumplings ("Marillenknödel") and Austrian strudel specialties.

The hotel also has a choice of varied rooms available.

The rooms in the Schwanen are classically decorated with silver fir and furnished with simple but comfortable modern furniture by Bregenz craftsmen. The rooms differ in size and location: Schwanen I is about 30 square meters, Schwanen II about 22-24 square meters. Both room types look towards Kanisfluh or towards Hirschberg. The rooms Schwanen III faces the street, which is not busy at night, as Bizau is located in a small valley.

The room allocation takes place after booking, first come first serve.

Alternatively, the accommodation can be requested in well-equipped apartments. These are located about 5 minutes walk from the "Schwanen" away. The meals are taken together with the group in the hotel "Schwanen". The travel price corresponds to the room type Schwanen II.

Arrival and departure:

Guests should aim to arrive on Saturday until 18:00 (6 pm) in the evening. The tango classes begin on Sunday and end on Thursday.

### **Getting to Bizau:**

Travel to Bizau is organized independently. Bizau is about 45 minutes by car or public bus service from Bregenz/Lake Constance.

Amanda and Adrian look forward to seeing

### Tango

#### **Amanda and Adrian Costa:**

With Amanda and Adrian the highest tango-Argentino enjoyment is inevitable. The two dance extremely harmoniously to the music and wonderfully elegant. Rhythm and clarity in dance are particularly important to them. It is difficult to escape the fascination of their aesthetics. With Amanda and Adrian there is no "figure acrobatics", but smart step games that result from attentive listening to the music and its interpretation. Her credo: "Tango is not a figure, Tango is a feeling". Especially her way of dancing the milonga with ease, liveliness and visible joy makes the hearts of the audience beat faster. Amanda and Adrian teach easily understandable in English.

We are very pleased, that Amanda and Adrian Costa will teach at Bregenzer Wald. The main focus will be the work with the "Quality in the dance": Musicality, the walk, and the embrace. Pure Tango de Salón and Elegance! You will be delighted by their didactically well-structured teaching. Courses will be for dancers with advanced dance experience.
